SATURDAY APRIL 11TH PROPOSAL MEETING KELLY AND DIKRAN'S 2:00 PM

Our chapter had a very successful year in 2007, highlighted by a record-setting Sports Weekend. As a result of our success, we found ourselves with a significant profit well in excess of our normal annual budget. When we closed our books for 2007, we earmarked our Sports Weekend profits of \$14,000 for use on a project of our choosing. At this point, our chapter board would like to ask our general body to submit proposals for the allocation of this earmarked money.

ACYO DAY: PALM SUNDAY

Armen Keteyian spoke at ACYO Day and the event was a huge success. Over 200 people attended and a breakfast brunch was served before Armen talked about his career, obstacles, hopes, and advice for the future. Thank you to all who attended and help put on a terrific afternoon.
