Instructions for New Online Player/Coach Registration System

The OYAA has eliminated all paper registration for the 2010/2011 Basketball Season. All players and coaches who plan on participating in the OYAA are REQUIRED to register using our new online registration system. Any player/coach who has not registered through this system will NOT be allowed to participate.

- **PARENTS** – only must register their children who play in the Biddy, Juniors, Girls and Intermediate divisions and they can also register themselves to coach.
- **ADULTS** – ages 18, who play in the Senior Division or who want to coach, can register themselves.

Please follow the instructions below to register for this upcoming season. There are no registration fees:
