A Message from our chairman...

Dear Guild Members,

The daily news reports from Turkey and Syria bring the devastation of the area to the forefront of our minds and hearts. We, the board, came together to approve a \$200 donation to what the church is collecting. It's not enough. But it is what we quickly could donate. We will be discussing doing more at our March meeting. Please bring your hearts and ideas with you to the meeting and add your voice to the conversation.

I hope to see you in church on March 1 for the Lenten Service, at the ACYOA Lenten Dinner, and at our meeting. The service starts at 5:30 pm and our meeting will start at 7:00 pm.

Sara Andonian

Welcome to our Women's Guild Executive Board!

Our Plarning Outreach Program Needs Your Help

Plarning is a form of crocheting with plastic bags to make blankets and pillows for the homeless. The shelters hand them out faster than volunteers can make them. It's very easy and you can find the demonstration on our YouTube Guild Gatherings page. Please reach out to Edith Baise about how to participate (313)673-3325.

The Knitting Club will be meeting on the third Thursday of the month from 10:00 am-noon at the church in the Ararat room. *No experience is necessary* and all are welcome! We will be knitting scarves to support the Motor City Mitten Mission. Contact Linda Assarian for more information. linda.assarian@gmail.com

CHILDREN OF ARMENIA SPONSORSHIP PROGRAM

CASP provides supplemental financial support on an annual basis to orphans and low-income single-mothers. CASP stipends enable families to afford the things that improve their quality of life, including food, fuel and clothing, and certain extracurricular activities.

We are currently sponsoring 11-year-old Ashot Grigoryan. He recently reached out to us with two updates on what is happening in his life.

Thank you to CASP for translating.

Hello Dear Benefactor.

I am Ashot Grigoryan. I am in the sixth grade of Agarak Secondary School. My favorite subject is geography. I study pretty well at school. Besides geography, I like the Armenian language, math, and Russian. I attend musical school already four years. I am doing well there. For example, a few days ago, I go 9 points on the "Gammas" exam. I spend my free time playing in the yard or helping my grandmother. My brother and I went to a camp in the summer. I participated in the chess competition there, earning 10 points. My brother took part in the sports competition and go 5 points. We have a garden. I always help

grandma and grandpa with the garden. As a result, we get tasty fruits and vegetables.

I am very thankful that you help us, and I have always felt your support. I wish you health. Ashot Grigoryan

Hello Dear Benefactor,

My name is Ashot Grigoryan. I am 11 years old. I study in the sixth grade of Agarak Secondary school. I also attend the piano department of a music school. I study excellently in both schools. I love our city very much. There are very friendly people in our town. I would very much like to spend my summer vacations in the capital of Armenia, Yerevan. I have not been there for a while. Dear Benefactor, this concludes my letter. I wish you good health and longevity. We greatly appreciate your help and are very grateful to you.

Sincerely, Ashot Grigoryan
